## Memorandum

DATE: JUN 2 1 1989

TO: S&amp;EP:CCJ

FROM: Section 308 Clean Water Act Request

TO: Dominick J. Sanchini  
President  
Rockwell International, AERO, RFP

The EPA has transmitted a request for information regarding the quality of water in ponds C-2, B-5 and A-4 via collection of representative samples. Since the DOE was aware of this pending request, a preliminary letter was forwarded to you directing Rockwell to begin this sampling. The actual request for information is hereby attached. Please assure that all information requested is obtained and submitted to the RFAO for official transmittal to the EPA. Include the signed certification with your submittal to the RFAO.

Please note that the information can be transmitted to the EPA via telephone call in order to expedite authorization to discharge the ponds. You are hereby authorized to transmit the information via telephone to the EPA as soon as it is obtained and verified. Please provide a written telephone log to this office following Rockwell's conversation with the EPA, Region VIII.

Questions concerning this request can be directed to Ms. Candice C. Jierree of my staff at extension 4888.
